Today: Work on Part A

1. **Settle on your case** if you haven't yet: named tool, named organization, documented deployment
2. **Find your sources** and keep working through **Part A**, starting with **Section 0 (Your Notes/Research)**
3. **Check Full Case II feedback** on D2L. If you need to revise, **your one-week clock started when it was posted.**

The Full Case III Update is due Sun, Nov 1.

We'll be circulating. Ask us anything.

Presenting a Case Study

Last Call: Present a Case Study

Starting the **week of Nov 9**, your group can present **one case study of your choice**:

- **20 minutes** presenting, then **5 minutes** of questions
- **Write the Exit Ticket** for that day
- **Submit your slides** to be posted on D2L *before* your day

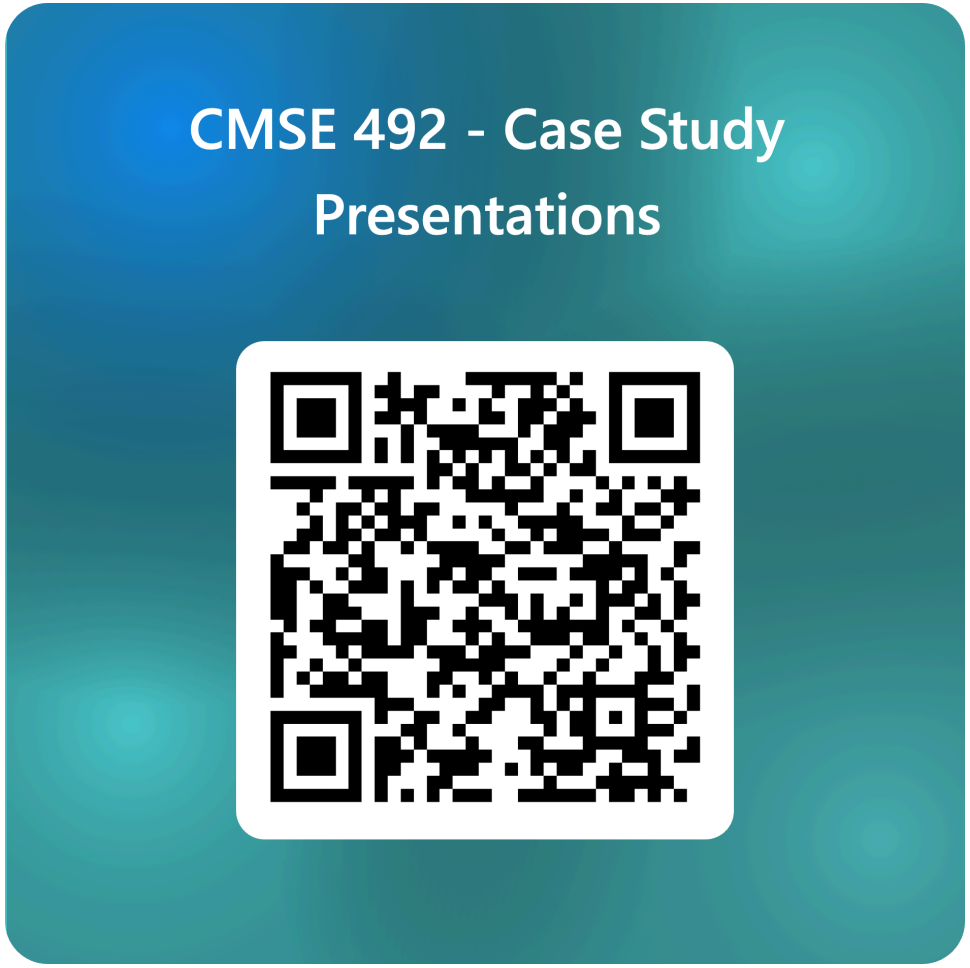

Opt-in, as a whole group. Everyone in the group must agree and take part. It counts toward **Class Engagement** (*2 -> 4 for both Case Study grades, 100% bonus*).

Interested? Fill Out the Survey

- **Only one person per group** fills it out
- **Be generous** with the days you can do. We're coordinating across groups.
- **Due Mon, Nov 2**, which is the next class day. **Talk to your group before you leave today.**
- **Email from Danny** with the schedule. It will also be posted on D2L.
