Full Case II Grades: Coming Tonight

I'm sorry. Your Full Case II grades and feedback aren't ready yet.

I had a water emergency at my house that started this weekend and it ran through Fall Break. My other work got backed up.

- **Grades and feedback will be on D2L by the end of today.**
- Same format as the Update: a **summary** on D2L and **comments** on specific passages in your Doc.
- If your case **doesn't yet meet the standard**, you'll have **one week from when you receive feedback** to revise. *The clock starts when it's posted, not today.*

Thank you for your patience.

Full Case III Starts Today

Full Case III: Choose a Domain

This is the last two-week case. Pick one domain, then narrow it to **one specific, documented case**.

🌾 **Agriculture**	🚗 **Transportation**	🛒 **Retail & Consumer**
🎮 **Entertainment & Gaming**	🌍 **Environmental & Climate Science**	🧭 **An undiscussed area**

Same test as before: a **named tool**, a **named organization**, and a **documented deployment**.

See **Schedule → Weeks 9 and 10** on the course site for prep reading.

This Week Is Short

- **Two class meetings** (today and Friday) before the **Update is due Sun, Nov 1**.
- **Try to settle on a case today.** Use Friday to find sources and start Part A.
- **Undiscussed area?** Today is the day to **ask us** whether it counts. Then name your domain and case in **Question 1** of the Update.
- **Design Scaffold 2 is due Fri, Nov 6**, the same week as the Full Case. **Plan for both.**
  - *This update will provide the revision for Design Scaffold I.*

Presenting a Case Study

Thank You to Our First Volunteers!

One group has already signed up to present. Thank you!

There's room for more. Starting the **week of Nov 9**, your group can present **one case study of your choice**:

- **20 minutes** presenting, then **5 minutes** of questions
- **Write the Exit Ticket** for that day
- **Submit your slides** to be posted on D2L *before* your day

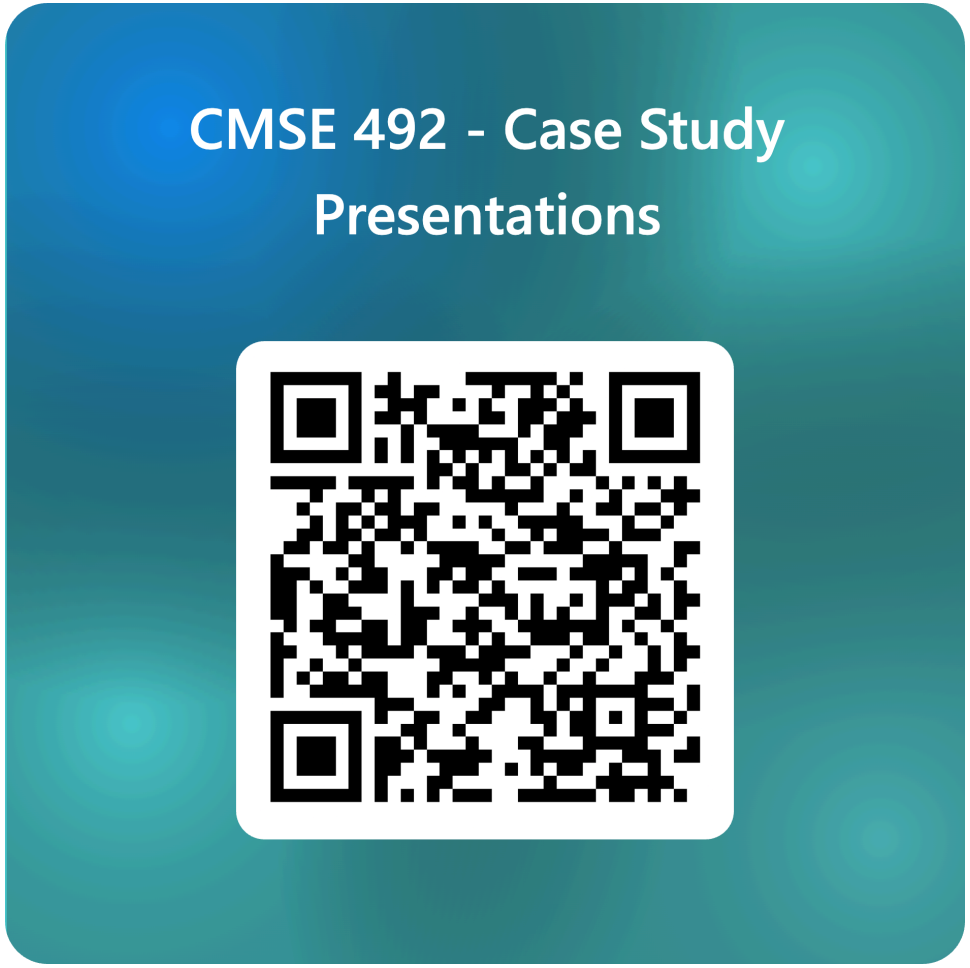

Opt-in, as a whole group. Everyone in the group must agree and take part. It counts toward **Class Engagement** (*2 -> 4 for both Case Study grades, 100% bonus*).

Interested? Fill Out the Survey

- **Only one person per group** fills it out
- **Be generous** with the days you can do. We're coordinating across groups.
- **Due Mon, Nov 2**, so we have time to schedule with each group
- **Email from Danny** with the schedule. It will also be posted on D2L.

This link is also on D2L.

Today

1. **Pick a domain** and skim its prep reading together *(~15 min)*
2. **Narrow to one case:** named tool, named organization, documented deployment
3. **Start Part A**, beginning with **Section 0 (Your Notes/Research)**
4. **Decide** whether your group will fill out the presentation survey

We'll be circulating. Ask us anything.

Exit Ticket

- Today's **Exit Ticket is posted on D2L**.
- Complete it **before 11:59pm tonight**.
