Today: Research and Draft the Case Analysis

1. **Settle on your case** if you haven't yet: named tool, named organization, documented deployment
2. **Start drafting your DTPA analysis** (Data, Tools, Practices, Actions). **Where your group disagrees, write the disagreement down.**
    - DC will get you feedback by Wednesday's class on the update.
3. **Check Full Case II feedback** on D2L. If you need to revise, **your one-week clock started when it was posted.**

The Full Case III is due Sun, Nov 8.

We'll be circulating. Ask us anything.

Interested? Fill Out the Survey
